B. Braun Introcan Safety® 3 IV Cannulation Pack

Productive Ward Study

Evaluation results demonstrate that Introcan Safety® 3 is clinically well accepted with 82% of cannulators indicating that they would use this device in clinical practice.*1

Furthermore, the introduction of the Introcan Safety® 3 IV Cannulation Pack:

- Makes clinicians 31% (P<0.001) more efficient at collecting the required equipment compared to separate components*2

- Makes clinicians 21% (P<0.005) more efficient overall at the whole cannulation process compared to separate components*2

- Provides an overall time saving per cannulation of 1 minute and 10 seconds which equates to 297, 12 hour nursing shifts per annum*2

- Releasing 3558 nursing hours to provide care for patients*3

For more information please contact your local B. Braun Medical Ltd sales representative or email Rachel Kent, Associate Product Manager at rachel.kent@bbraun.com

2. Time in Motion Study, May 2014, Nottingham Queens Medical Centre Emergency Department, Dawn Cooper, B. Braun Medical Ltd. A full copy of the time in motion study is available on request.

3. Calculation based on a 1650 bed NHS Trust using 300,000 peripheral IV cannula per annum.

What is Included:

- Introcan Safety® 3 closed IV catheter
- 3M Tegaderm™ 1633 IV dressing
- ChloraPrep® Sepp®
- Cannula Assessment Record
- Colour coded outer label
- Lot number sticky labels
- 4 x swabs
- Waterproof sterile field
- Clinical waste bag
- Hand towel/drape

User Benefits:

- **Introcan Safety® 3 features a multi use septum** – minimises blood backflow and reduces blood exposure.
- **Suitable for use with power injectors for CT** – Maximum pressure of 300 psi (21 Bar).
- Refer to Introcan Safety® 3 instructions for use.
- **EPIC 3 Compliant** – allows for minimal number of needlefree extension lumens to be used appropriate to the patients needs.*3
- **Peelable lot number sticky labels** – facilitates traceability.
- **Compliance with the EU Directive on Safer Sharps** – reduces the risk of needlestick injuries.
